1. A number of single-story huts, partly wooden and partly brick, have been built between the former hospital in Oksywie (Gdynia) and the coast. A Polish army unit is billeted in these huts, which accommodate about 500 persons. The soldiers of this unit wear khaki uniforms and caps with red cap bands.
2. A four-gun antiaircraft battery is located on the escarpment by the sea, near the old naval cemetery. Small tents have been pitched near the guns for the gun detachments.
